

AD5933::initilize\_frequency

```
graph LR; A[AD5933::initilize_frequency] --> B[AD5933::write_register]; B --> C[AD5933::read_register];
```

The diagram is a horizontal flowchart with three rectangular boxes. The first box on the left is shaded gray and contains the text 'AD5933::initilize\_frequency'. A blue arrow points from the right side of this box to the left side of the second box. The second box is white with a black border and contains the text 'AD5933::write\_register'. Another blue arrow points from the right side of the second box to the left side of the third box. The third box is also white with a black border and contains the text 'AD5933::read\_register'.
